- Voltage: 220-240 V
- Power: 2400 W
- Product dimensions: 303 x 120 x 152 cm
- Product weight: 1.55 kg
- Frequency: 50-60 Hz

Product highlights

SteamGlide soleplate
The specially designed soleplate combines small vents for superior gliding on all fabrics and large vents for powerful crease removal

Steam tip
The unique Steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Electronic safety shut-off
The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.
